Right Here

Staind

I know I've been mistaken
But just give me a break
And see the changes that I've made
I've got some imperfections
But how can you collect them all
And throw them in my faceBut you always find a way
To keep me right here waiting
You always find the words to say
To keep me right here waiting
If you chose to walk away
I'd still be right here waiting
Searching for the things to say
To keep you right here waitingI hope you're not intending
To be so condescending
It's as much as I can take
And you're so independent
You just refuse to bend
So I keep bending 'till I breakBut you always find a way
To keep me right here waiting
You always find the words to say
To keep me right here waiting
If you chose to walk away
I'd still be right here waiting
Searching for the things to say
To keep you right here waitingI've made a commitment
I'm willing to bleed for you
I needed fulfillment
I found what I need in you
Can't you just forgive me
I don't want to relive all the mistakes
I've made along the wayBut I always find a way
To keep you right here waiting
I always find the words to say
To keep you right here waitingBut you always find a way
To keep me right here waiting
You always find the words to say
To keep me right here waiting
If you chose to walk away
I'd still be right here waiting

Searching for the things to say
To keep you right here waiting
