

# Right Here

## Staind

I know I've been mistaken  
But just give me a break  
And see the changes that I've made  
I've got some imperfections  
But how can you collect them all  
And throw them in my face  
But you always find a way  
To keep me right here waiting  
You always find the words to say  
To keep me right here waiting  
If you chose to walk away  
I'd still be right here waiting  
Searching for the things to say  
To keep you right here waiting  
I hope you're not intending  
To be so condescending  
It's as much as I can take  
And you're so independent  
You just refuse to bend  
So I keep bending 'till I break  
But you always find a way  
To keep me right here waiting  
You always find the words to say  
To keep me right here waiting  
If you chose to walk away  
I'd still be right here waiting  
Searching for the things to say  
To keep you right here waiting  
I've made a commitment  
I'm willing to bleed for you  
I needed fulfillment  
I found what I need in you  
Can't you just forgive me  
I don't want to relive all the mistakes  
I've made along the way  
But I always find a way  
To keep you right here waiting  
I always find the words to say  
To keep you right here waiting  
But you always find a way  
To keep me right here waiting  
You always find the words to say  
To keep me right here waiting  
If you chose to walk away  
I'd still be right here waiting

Searching for the things to say  
To keep you right here waiting
