

Lover Man

Jazz in Paris

Aw

Yeah

I know you got somebody
Who thinks you're home tonight
You're lookin' for a good time

Girl, I'll do you right

Forget your other man

I wanna be your Lover Man

Now don't go feelin' guilty

How could this be wrong?

Girl, you may not know it

But you're right where you belong

Don't you understand?

I wanna be your Lover Man

I'll give you what you ain't been given

The love you've gone without way too long

Let's not waste another minute

Before the night is gone let's do and say we didn't

'Cause this feeling's way too strong

Girl, give me your hand

I wanna be your Lover Man

Oh, let's dance

I'll give you what you ain't been given

The love you've gone without for way too long

Let's not waste another minute

Before the night is gone let's do and say we didn't

'Cause this feeling's way too strong

Girl, give me your hand

I wanna be your Lover Man

Forget your other man

I wanna be your Lover Man

Oh yes, I do

You know you want that too

Ooh, hoo, ooh
