

Clear The Room

Cat Power

Out of tune
It's no ideal
Cannot prove
But I can squeal Stick into
Frozen meal
Touching you
Magnetic field Take the loo
Bruise the fruit
Forget what to say
Call your bluff
Get away Clear the room
Watch them reeling
Sex is soon
But first the feeling Out of tune
It's so ideal
Clear the room
And watch them real Take the loo
Bruise the fruit
Forget what to say
Call your bluff
Get away
