

# Can't Stop

Hanson

(tuning radio)

Can't stop thinking about you(x2)

Morning, day or night

I tremble at your sight

It's impossible to fight

I've tried

Now you're in my head

And your mind I've read

Gonna stop the words you said

Now I

CHORUS

Can't stop thinking about you

I can't get you off my mind.

Can't stop thinking about you

I'm thinking about you all the time(x2)

Tell me, I've thought it through

And all along you knew

I just want you to be mine

Nothing I can do

I'm all wrapped up with you

Even if I wanted to

I'm out of time

CHORUS

I want to know

Say why is it so

I can't stop thinking?

(Can't stop thinking about you)

(repeat)

Yeah

tic toc tic toc

Where's the clock?

Not a second passes

I can't stop, said(x4)

Can't stop, can't stop

I can't stop it(x4)

Take me to a place

Where I can only see your face

I've really lost my way

This time.

Tell me what it means  
I'm bursting at the seams  
You're in my thoughts, my dreams

Yeah, I...

CHORUS

I want to know,  
tell me why is it so  
I can't stop thinking?  
(can't stop thinking about you)

Woa, why?(x4)

Can't stop it

Can't

Stop

Can't

Stop
