# Blessa (Nujabes Tribute)

## Toro y Moi

Come home in the summer
Live a life that you miss
It's alright
I'll fill you in
Don't you wait
For me to call your name againI see the wind blow into my shoes
Each (?) cuts into my nerves
It's hard to let you come on in
And let you know that i was hurtSearch for a life
Every second
Every day, every night
It's a blessingI found a job
I do it fine
Not what i want
But still i try
