Loner
You wanna be a loner
I see
So won't you come over?
Learn to be a loner
With me I won't believe it
'Less I see it
I won't be satisfied Bona fied
I'm bona fied
I'm bona fied
I'm bona fied
I'm just, bona fied
Loner
You could be my polar, opposite
Give yourself closure
A little more exposure
To the head I won't believe it
'Less I, see it
I won't be satisfied Bona fied
I'm bona fied
I'm bona fied
I'm bona fied
I'm just, bona fied
I won't believe it
'Less I see it
I won't breed it
'Less I need it
If you need me
I can breed it
I won't be satisfied Fied
I'm bona fied
I'm bona fied
I'm bona fied
Just bona fied Loner
(Alone with me)
Wanna be a loner
(Alone with me)
Wanna be a loner
(Alone with me)

Wanna be a loner

(Alone with me)

Wanna be a...

I won't be satisfied
