

You Came Walking

The Golliwogs

When you came walking down the street
I felt my poor hart skip a beat
Why did you say that we were through
Why do you treat me like you do You said you found another guy
You never even told me why
I thought you'd never be untrue Why do you treat me like you do
You said you found another guy
You never even told me why Why do you treat me like you do
Why do you treat me like you do
Why do you treat me like you do
