

# Twilight = Dusk

## Jebediah

I don't wanna go anymore  
I don't wanna go anymore  
Stop pushing me through the door  
I don't wanna go anymore  
Anymore, anymore, anymore  
I don't wanna fight anymore  
I don't wanna fight anymore  
Picking myself off the floor  
I don't wanna fight anymore  
Anymore, anymore, anymore  
I said I'd try but you don't believe me  
You still don't know who I am, if only  
I had the guts to tell you  
If I had the guts to tell you  
If... If... If...
