

Everybody Know Me

Boyz N Da Hood

Big Gee, Big Gee, Zone 3, Zone 3

I'm a grown man, yeah that what my momma said
Asked her for a ki while she packin' up my underwear
Underwear, over there, only got a couple pair
I've been fucked up all my life, don't nobody who even care
Who don't care? They don't care
Dat old nigga know me, I be all up in da air
While they holdin' up my scrotum
I done told 'em, you ain't told 'em? Yes, I did
Well, now it's time to show them
'Coz the industry still thinkin' that we bullshit
I ain't quittin', I ain't either, I'm still baggin' up the reefer
Nigga know me 'coz I be the one that always talkin' reefer
What chu want? 3 team, what I would try it as a man
Nigga know me 'coz a nigga still-a hangin' around the countryback
Tell them why they really know you, they don't wanna know
Yeah, they do, not for hangin' on the corner with a blunt or two
But now at night time, nigga, know that I'm the truth
Pistol in my drawer, doin' the same shit my momma do
Big Gee, Big Gee, Zone 3, Zone 3
Straight up out da gutta, everybody know me
Gorilla Z, Zoe, everybody on the east, Zoe
Southwest Atlanta, everybody know me
Big Duke, Big Duke, Old Gee, Old Gee
Eastside Atlanta, everybody know me
Young Gutta, Young Gutta, Jody Breeze, Breeze

Yeah, I'm Gorilla Zoe, Mr. 'Missed to stack the door?
Right there by the corner store and everybody fuckin' know
You fuckin' know, you fuckin' right, thinkin' this a open mike
My candy read 'U.S.A?', nigga, this is real life
Live twice, yeah right, I can be gone any day

Everybody love me at my grave or what they forced to say
 Aye, what? Tell you some, fuck these niggers wanna know?
 [Incomprehensible] dem up, and Gorilla Zoe
 Bitch no, bitch no, I ain't trickin' everyday
 You my favorite baby daddy, I'm ridin' wit chu anyway
 You ride 'coz you tired livin' by the quarter mile
 Niggas know me every time for Mr. Exit 65
 Yeah, 6-5 we ride on, 24's we slide
 Through the eastside, despise those that lie
 Check my background, my beef is certified
 Break bread with killers, say breads would murder guys
 That's wassup

 We ain't leanin' or rockin' over here
 'Coz if I get to snappin', then I'm poppin' over there
