

My Little Girl

The Tucker Brothers

I woke up this morning while the day was still young,
saw the flowers growin.

The day passed along, I sang my song,
couldn't keep this love from showin...

My little girl gives to me the song that I sing,
as warm as the summertime, as fresh as the spring.
She knows to make me happy all that she's gotta do,
is say "Hey daddy, I love you".

Her love lifts me higher than a bird in the sky,
it's hard to keep my feet on the ground.
I just can't believe that this little girl is mine,
cause I'm in heaven when she's around.

My little girl gives to me the song that I sing,
as warm as the summertime, as fresh as the spring.
She knows to make me happy all that she's gotta do,
is say "Hey daddy, I love you".

She's made me so happy, she's all that I need.
It's like a dream come true.
I love my baby, it's so easy to see....
She'll never leave me blue.

My little girl gives to me the song that I sing,
as warm as the summertime, as fresh as the spring.
She knows to make me happy all that she's gotta do,
is say "Hey daddy, I love you".
