

Lovely Daze (Candyhill Mix)

DJ Jazzy Jeff & The Fresh Prince

It's 10 a.m. and I just woke up
Walked to the window and opened the shades up
Sun so bright that I can hardly see
But I'm a black man so I pass on a tan
Dip to the bathroom take me a shower
But first called up my girl told her be ready in an hour
I was still a bit tired man I'm laggin'
Grabbed the tooth brush to kill the dragon
Have mercy, great day in the morning
Turn on the water and I'm stretchin' and yawnin'
Tryin' to get a blend to the hot winter cold
Man I'm young but why I feel so old
Get it just right then step to the mirror
Rubbin' my eyes to make my vision get clearer
Everything looks A okay
And today is gonna be a lovely day
Lovely day, lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day, lovely day
So I jet out the crib and hop in the Benzo
Today is my girls day can't none of my friends go
Just me and her top down on the highway
If you're gonna do it then why not do it the fly way
First a car wash next the barber shop
Then off to my girls crib that's my next stop
A dozen roses a card and candy
I'm a true mackadocious Mr. Romanty
She hoped in and she asked where we're goin'
Yo we like a twig in the Nile, we just flowin'
Maybe to the beach or maybe hook up a picnic
But yo it doesn't matter 'cause today we just kickin' it
I threw in my homemade slow tape
And off to the beach for some beautiful landscape man
This is a bonafide lovers delight
Got the ocean on the left, the mountains on the right
I said, "Yeah" 'cause that's the way I was feelin'
Free as a bird got the clouds for a ceiling
I wish that I could press the gas and fly away
Today has been a lovely day
Lovely day, lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day, lovely day
It's dark outside now and it's gettin' kinda late
The date was great but here comes the moment that I hate
It's too bad a lovely day has gotta end up like this
A wave goodbye with a hug and good night kiss
I said, "Good night my lovely", I said, "Good night my lovely"
She said, "What you gonna leave me all alone?"
Oh I forgot to tell you there ain't nobody home"

Now y'all know me I'm a real cool guy
But inside things was kinda like the fourth of JulyI walked inside I said, "Hello there miss"
Then she gave me a kiss, oh you want some of this
Passion building mentally bonding
Slowly I caress her and she's respondin'
Just close your eyes and keep thinkin' of me, here I come girl, lovelyLovely day, lovely day, lovely day, lovely
day
Lovely day, lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day, lovely dayLovely day, lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day, lovely dayLovely day, lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day, lovely day
