Stay With Me Worship

Jekalyn Carr

Lift up your voice and cry out to Him
I give You my will, I give You my will[Spontaneous 1]
You are the company that doesn't have to go
You can stay (just) as long as You like
Keep me as long as You like
Your will is my command
Whatever You need from me, God, I'll give it up to You
You ain't got to ask for it no more, I'll say, "Yes."
Somebody needs to open up your mouth
And tell Him, "Yeah!"[Interlude]
[Spontaneous 2]
God; was looking for somebody
That He can find us in the right posture
That will make heaven move on their behalf
I need somebody, I know we're recording
But I need you to get up out of your seat
If you got to walk around, you walk around
But I need you to open up your mouth
And begin to pull on God tonight
Get in the right posture, get in the right posture
Somebody needs to be at the altar
Somebody needs to be at the altar
Get in your right posture
Get in it tonight, get in it tonight
Don't miss the wave, don't miss the wave
I just want to know if there's one?
I just want to know if there's one?
Anybody out there still love Him?
â€Ž[Interlude][Spontaneous 3]
See, what you've got to understand is
Every time you open up your mouth in worship
Worship is an automatic...
It is an automatic, huh-huh, huh
A signal to the angels
To do whatever it is that God has instructed them
To do on your behalf
I wonder if there is somebody out here
Who will signal the angels tonight
Signal the angels

Signal them with your words[Refrain]
You are the company that doesn't have to go
So, stay with me![Outro]
Somebody give Him praise
I said somebody give Him praise
