

# She Burned Me Down

## Type O Negative

She burned me down down to the ground  
She burned me down down to the ground Blood flow thicker than water is harder to clean up  
You'll get it in the end, boy, if your weapon of choice is love  
Expecting it from a stranger or maybe an acquaintance  
Never from family or friends though, a simple mistake and expense She burned me down down to the ground  
She burned me down down to the ground Pissed and disappointed I pray to learn to forgive  
If I can't find this in my heart then I have no reason to live  
Here is an education the lesson professed is quite cruel  
There are somethings that are worse than death and one of them is you  
Which one of them's you? Every time I see her start a fire, I get higher  
Every time I see her start a fire, I get higher  
Every time, yes, every time I see, I get  
Every time I see her start a fire, I get higher, higher Every time I see her start a fire, I get higher  
Every time I see her start a fire, I get higher  
Every time, yes, every time I see, I get  
Every time I see her start a fire, I get higher, higher [Foreign content] [Foreign content] Every time, yes, every  
time I see, I get  
Every time I see her start a fire, I get higher, higher Every time I see her start a fire, I get higher  
Every time I see her start a fire, I get high
