Starlight, Starbright

Rick Springfield

Starlight, starbright Come out of the darkHear me wishing on it Starlight, hear me crying at the moon Oh, I'm wishing for you, starbright (I'll get ya)Starlight, starbright Come out of the dark Starlight, Starbright And into my heartEvery night hear me wish for you Every night hear me call your name Oh starlight, it's true (I'll get ya)Starlight, starbright Come out of the dark Starlight, starbright And into my heartStarlight, starbright Come out of the dark Starlight, starbright And into my heartStarlight, starbright Come out of the dark
