The Game's Over

Plumtree

So many people choose
To give themselves up to
Defeat before the game's over
You're looking detached
You have a feeling that
Standing in the bathroom will show herI know that you are headstrong
I know that you don't want me now
Besides you wouldn't last long
You know i'll wait
Because how
Because how i like you
She's coming over, i'd say,
From looking at you that way
You're blending right into the wall
If someone tried to hurt you
I never would desert you
All the way i'd shake my head and callI know that you are headstrong
I know that you don't want me now
Besides you wouldn't last long
You know i'll wait
Because how
Because how i like youI won't have you believe
It's something that isn't real
I know how it makes you feel
You always seem so relieved
You think it's so natural
But infact it's so peculiar
So peculiar
I know that you are headstrong
I know that you don't want me now
Besides you wouldn't last long
You know i'll wait
Because how
Because how i like you
I know that you are headstrong
I know that you don't want me now
Besides you wouldn't last long
You know i'll wait
Because how

Because how i like you
