

Is it Love?

Elizabeth Rose

I like to think you have the time
To get a little closer
Inside my mind
Hazy conversation, my mind is racing
You're the exception to the only rule
Maybe I'm impatient, cause I'm always waiting
Second guessing every dayThis strange love has put me in a haze now
But is it love?
Is it enough?
Fuel the addiction but don't keep me guessing
Is it enough?
This strange love has put me in a haze now
But is it love?
Is it enough?
I can be ready just don't keep me waiting
Is it enough?
And so it goes it must be said
A little apprehension inside my head
We're apart of the game, mind games
Oh the attraction to the unknown
On the eleventh hour, I start to wonder
Thinking should I ask myselfDon't keep me, keep me guessing
Keep me, keep me waiting
Don't keep me, keep me guessing
Keep me, keep me waiting
Don't keep me, keep me guessing
Keep me, keep me waiting
This strange love has put me in a haze now
But is it love?
Is it enough?
Fuel the addiction but don't keep me guessing
Is it enough?
This strange love has put me in a haze now
But is it love?
Is it enough?
I can be ready just don't keep me waiting
Is it enough?Don't keep me, keep me guessing
Keep me, keep me waiting
Don't keep me, keep me guessing

Keep me, keep me waiting
Don't keep me, keep me guessing
Keep me, keep me waiting...
