Deadmen

Nora

You'll never see me again
Have we been wasting their breath?
Have we been paying attention?
And you'll never take me alive
Has it come to this?
So what's left?
We can't give up and we can't give in
Martyrdom fantasies and fading memories
We didn't know it
Of when we were better
Were we just kids... now we're adults
Giving up and giving in
I'll see you in the abyss
Now we're grown up, now we've gone wrong
The worst of them
I'll see you in that blank stare
Might have gotten the best of us
Looked out my window
And realized that I hate you
There's a black hole in my chest
And it's killing me like I want to kill you
And a fire in my stomach
Might be better than the best of us.The worse of you
