Lady With the Braid

Dory Previn

Lady With The Braidwould you care to stay till sunrise
it's completely your decision
it's just that going home is such a ride
such a ride
going home is such a ride
going home is such a ride
going home is such a low and lonely ridewould you hang your denim jacket
near the poster by picasso
do you sleep on the left side or the right
or the right
would you mind if i leave on the light
would you mind if it isn't too bright
now i need the window open
so if you happen to get chilly
there's this coverlet my cousin hand crocheted
hand crocheted
do you mind if the edges are frayed
would you like to unfasten my braidshall i make you in the morning
a cup of homemade coffee
i will sweeten it with honey and with cream
when you sleep
do you have dreams
you can read the early paper
and i can watch you while you shave
oh god the mirror's cracked
when you leave
will you come back
you don't have to answer that at all
the bathroom door is just across the hall
you'll find an extra towel on the rack
on the paisley patterned papered wall
there's a comb on the shelf
i papered that wall myself
that wall myself
