Rev It Up

B-witched

Hurry up, we're all ready
All you need to bring is yourself
Gonna go slow, take it steady
'Cause there's no room for nobody elseSun is high, sky is blue
It's so bright, we're just waitin' for you
(We know what you're doin')
Sun is high, sky is blue
It's so bright, we're just waitin' for you
We know what to doSo, "Rev it up", I said
(Don't waste time)
We know where we're goin'
Rev it up no lead
(The coastline)
Where the wind is blowin'
Hey, hey, heyGive it up Mr. Blue Sky
Speedin' right on into the bay
Everybody wave as we drive by
To the beach where we're gonna staySun is high, sky is blue
It's so bright, we're just waitin' for you
(We know what you're doin')
Sun is high, sky is blue
It's so bright, we're just waitin' for you
We know what to do, we know what to doSo, "Rev it up", I said
(Don't waste time)
We know where we're goin'
(It's alright)
Rev it up no lead
(The coastline)
Where the wind is blowin'Hey hey hey
(We know what to do, we know what to do)
Hey hey hey
(We know what to do, we know what to do)Hey, hey, hey
Hey, hey, hey
We know what to do, we know what to doSo, "Rev it up", I said
(Don't waste time)
We know where we're goin'
(It's alright)
Rev it up no lead
(The coastline)

Where the wind is blowin'
We know what to do, we know what to doHey
(We know what to do, we know what to do)
Hey
(We know what to do, we know what to do)
