Free Ride

The Janedear Girls

Just because I don't have a diamond ring
Doesn't mean I'm gonna be your dirty fling
I'm just a-dancing with my girls on a Friday night
Don't even buying me a drink to have a good old time
I know that you wanna take me home
You wanna take a little drive just to get me alone
But I'm a good girl, mama taught me 'Watch my back'
I've gotta stay away from boys who play like that
'Cause there's no such thing as a free ride, good night
I've heard those lame lines way too much
You can look all you want but you can't touch
Don't tell me 'bout your tricked-out four wheel drive
I can see just what is on your mind
I know that you wanna take me home
You wanna take a little drive just to get me alone
But I'm a good girl, mama taught me 'Watch my back'
I've gotta stay away from boys who play like that
'Cause there's no such thing as a free ride
Hey, maybe you're stuck living in a dream

Or some kind of wicked fantasy
I know you want what you can't see
Got news for you, that'll never be
Sorry pretty boy, but you're out of luck
I'm not gonna jump in the back of your truck
Or try your tricks on another one
If that's what you want, then back up, back up
I know that you wanna take me home
You wanna take a little drive just to get me alone
I'm a good girl, mama taught me 'Watch my back'
Gotta stay away from boys who play like that
I know that you wanna take me home
You wanna take a little drive just to get me alone
But I'm a good girl, mama taught me 'Watch my back'
Gotta stay away from boys who play like that
'Cause there's no such thing as a free ride
Good night, good night
There's no such thing as a free ride
