

# Let's Bounce

## Christy Carlson & Romano Carlson

Waiting for the start of something  
Before we go out of our minds  
    All of this doing nothing  
    Is taking up too much time  
    Gotta be something better  
Something more that we can do  
    Time to get the party started  
    Everybody's there too  
You've got the wheels, I've got the feels  
    We've got whatever it takes  
She's got the groove, he's got the moves  
    Everybody's ready to play  
So let's bounce into something new  
    Let's bounce 'cause we all want to  
    Let's shout, gonna have some fun  
        Everybody everyone  
        Let's bounce, get the party on  
Let's bounce, gonna dance till dawn  
    Let's shout, gonna all tone down  
        Everybody everywhere  
        Let's bounce baby  
Time for you to let your hair down  
    Time to bump up the shelf  
    Everybody is going crazy  
    Working just the way we planned  
You've got the style, I've got the wild  
    We've got the place to be

She's got the moves, he's got the groove  
    Everybody's ready to play  
So let's bounce into something new  
    Let's bounce 'cause we all want to  
    Let's shout, gonna have some fun  
        Everybody everyone  
        Let's bounce, get the party on  
Let's bounce, gonna dance till dawn  
    Let's shout, gonna all tone down  
        Everybody everywhere  
        Big Apple to L.A.

All around the world the same  
You know we've gotta make it loud  
I'm ready baby, let's bounce  
So let's bounce into something new  
Let's bounce 'cause we all want to  
Let's shout, gonna have some fun  
Everybody everyone  
Let's bounce, get the party on  
Let's bounce, gonna dance till dawn  
Let's shout, gonna all tone down  
Everybody everywhere  
So let's bounce  
Let's bounce  
Let's shout  
Everybody everywhere
