

By-Tor and the Snow Dog

Rush

Tobes of Hades, lit by flickering torchlight
The netherworld is gathered in the glare
Prince By-Tor takes the cavern to the north light
The sign of Eth is rising in the airBy-Tor, knight of darkness
Centurion of evil, devil's princeAcross the River Styx out of the lamplight
His nemesis is waiting at the gate
The Snow Dog, ermine glowing in the damp night
Coal-black eyes shimmering with hateBy-Tor and the Snow Dog
Square for battle, let the fray begin
