

# Fire

## Kasabian

Take me into the night, I'm an easy lover  
Take me into the fight, I'm an easy brother  
I'm on fire

Burn my sweet effigy, I'm a road runner  
Spill my guts on to the wheel, I wanna taste  
I'm on fire, I'm on fire  
I'm on fire, I'm on fire

Wire me up to machines, I'll be your prisoner  
Find it hard to believe you are my murderer  
I'm on fire

Look behind you, there's a falling sky  
I'm on fire, I'm on fire  
I'm on fire, I'm on fire

Move on, you got to move on  
You gotta get you real good  
So you can shake on  
Move on, you got to move on  
You gotta get you real good  
So you can shake on  
I'm on fire

Move on, you got to move on  
You gotta get you real good  
So you can shake on  
I'm on fire

Move on, you got to move on  
You gotta get you real good  
So you can shake on
