Devotion

Jim Brickman

Wrap me up like a gift
Whisper in my ear say I'm the shit
Can you feel my eyes on your face?
Tears in your mouth, give me a kiss
Now bring your body closer
Pin me to the wall like a poster
Tonight's your turn so baby order
Now I'm biting on your body like an hors d'oeuvre
Tonight you can take what you want from me
Expose my devotion
I'ma do you good from your head to your feet
Expose my devotion
And all you gotta do is ask
I'm right on top of it, I'll handle that task
Tonight I'm all yours baby
Expose my devotion
To you, to you, to you
To you, to you, to you, to you
Devotion to you
To you, to you, to you
To you, to you, to you, to you
Devotion to you
Lock it on my body, boy come in
I'ma rock it like a baby in a crib
Give you the whole thing not just the cliff
Now let me feel you under my skin

I say I love you, I'ma prove it
Do anything for you watch me do it
Boy you know you hot boo
So take me I'm yours
Tonight you can take what you want from me
Expose my devotion
I'ma do you good from your head to your feet
Expose my devotion
And all you gotta do is ask
I'm right on top of it, I'll handle that task
Tonight I'm all yours baby
Expose my devotion

To you, to you, to you
To you, to you, to you, to you
Devotion to you
To you, to you, to you
To you, to you, to you, to you
Devotion to you
Baby, tonight I'm gonna verify my love
And after tonight you won't compare another girl
So hop on my flight, I'm gonna take you out this world
You better hold on tight so make tonight last forever
Hey, I was just thinking about you
What are you doing?
Why don't you come over here first?
Okay, see you in a minute, bye
