Strut

Adam Lambert

I want to start a revolution
A type of personal solution
We all have got our own pollution
It's all about the execution
You got something to say, your hands are tied, open your mouth, open it wide
Let the freedom begin
Get on the floor, just let it drive, don't it feel good, don't it feel hot?
Feel the fire within
I wanna see you strut, strut, strut, come on walk for me
Strut, strut, strut, how you wanna be
Everybody's looking for some love, but they don't know
How to let it all hang out and that's why they're solo
Solo, solo, don't wanna be solo
Solo, solo, don't wanna be solo
We're a complicated nation
And now we're in a situation
Let's take a Maybelline vacation
And get yourself some validation
You got something to say, your hands are tied, open your mouth, open it wide
Let the freedom begin
Get on the floor, just let it drive, don't it feel good, don't it feel hot?

Feel the fire within
I wanna see you strut, strut, strut, come on walk for me
Strut, strut, strut, how you wanna be
Everybody's looking for some love, but they don't know
How to let it all hang out and that's why they're solo
Solo, solo, don't wanna be solo
Solo, solo, don't wanna be solo
I'll be your mirror
Darling, let your hair down
Show me what you're working with
And let me see you
Strut, strut
Strut, strut, how you wanna be
Everybody's looking for some love, but they don't know
How to let it all hang out and that's why they're solo
Solo, solo, don't wanna be solo
Solo, solo, don't wanna be solo

Strut for me and show me what you're working with
Strut for me and show me what you're working with
