

# That's My Jam (feat. Owl City)

[Relient K](#)

Turn up the record cause the song's just begun  
I'm smashing pumpkins like it's November 1  
Wish Britney'd hit me one more time on the phone  
So tired of counting crows with Mr. Jones  
My sister Hazel knows that it's all for you  
Am I a blur or do you sing my song 2? Ooh Ooh Ooh Summertime  
Ooh Ooh Ooh Back in '99  
Ooh Ooh Ooh Ooooooh Our first dance  
Ooh Ooh Ooh That's my jam Jane's addicted and Alice is in chains  
U2 like to move me in mysterious ways  
We're chasing waterfalls and wonderwalls  
My Jewel, you were meant for me so save my soul  
Add seven Mary three plus 98 degrees  
Eve 6 times 311, that's you and me Ooh Ooh Ooh Summertime  
Ooh Ooh Ooh Back in '99  
Ooh Ooh Ooh Ooooooh Our first dance  
Ooh Ooh Ooh That's my jam This blessed union of collective souls  
Is the only world we know  
This heart-shaped candlebox burns for you alone  
You outta know Ooh Ooh Ooh Summertime  
Ooh Ooh Ooh Feelin' so sublime  
Ooh Ooh Ooh Ooooooh Boy II Man  
Ooh Ooh Ooh My pearl jam  
Ooh Ooh Ooh Summertime  
Ooh Ooh Ooh Back in '99  
Ooh Ooh Ooh Ooooooh Take my hand  
Ooh Ooh Ooh Baby, you're my jam
