

A Little Piece of Heaven (Amended Version)

Avenged Sevenfold

Before the story begins, is it such a sin,
For me to take what's mine, until the end of time
We were more than friends, before the story ends,
And I will take what's mine, create what
God would never designOur love had been so strong for far too long,
I was weak with fear that
Something would go wrong,
Before the possibilities came true,
I took all possibility from you
Almost laughed myself to tears,
Conjuring her deepest fears
(come here you fucking bitch)Must have stabbed her fifty fucking times,
I can't believe it,
Ripped her heart out right before her eyes,
Eyes over easy, eat it eat it eat itShe was never this good in bed
Even when she was sleepin'
Now she's just so perfect I've
Never been quite so fucking deep in
It goes on and on and on,
I can keep you lookin' young and preserved forever,
With a fountain to spray on your youth whenever'Cause I really always knew that my little crime
Would be cold that's why I got a heater for your thighs
And I know, I know it's not your time
But bye, bye
And a word to the wise when the fire dies
You think it's over but it's just begun
But baby don't cryYou had my heart, at least for the most part
'Cause everybody's gotta die sometime, we fell apart
Let's make a new start
'Cause everybody's gotta die sometime yeah
But baby don't cryNow possibilities I'd never considered,
Are occurring the likes of which I'd never heard,
Now an angry soul comes back from beyond the grave,
To repossess a body with which I'd misbehavedSmiling right from ear to ear
Almost laughed herself to tearsMust have stabbed him fifty fucking times
I can't believe it
Ripped his heart out right before his eyes
Eyes over easy
Eat it eat it eat itNow that it's done I realize the error of my ways

I must venture back to apologize from somewhere far beyond the grave
I gotta make up for what I've done
'Cause I was all up in a piece of heaven

While you burned in hell, no peace forever
'Cause I really always knew that my little crime
Would be cold that's why I got a heater for your thighs
And I know, I know it's not your time
But bye, bye

And a word to the wise when the fire dies
You think it's over but it's just begun

But baby don't cry
You had my heart, at least for the most part
'Cause everybody's gotta die sometime, we fell apart
Let's make a new start

'Cause everybody's gotta die sometime yeah
But baby don't cry
I will suffer for so long
(What will you do, not long enough)
To make it up to you
(I pray to God that you do)

I'll do whatever you want me to do
(Well then I'll grant you one chance)
And if it's not enough
(If it's not enough, If it's not enough)
If it's not enough
(Not enough)
Try again
(Try again)
And again
(And again)

Over and over again
We're coming back, coming back
We'll live forever, live forever
Let's have wedding, have a wedding

Let's start the killing, start the killing
"Do you take this man in death for the rest of your unnatural life"
"Yes, I do"

"Do you take this woman in death for the rest of your unnatural life"
"I do"

"I now pronounce you"
'Cause I really always knew that my little crime
Would be cold that's why I got a heater for your thighs
And I know, I know it's not your time
But bye, bye

And a word to the wise when the fire dies
You think it's over but it's just begun

But baby don't cry
You had my heart, at least for the most part
'Cause everybody's gotta die sometime, we fell apart
Let's make a new start

'Cause everybody's gotta die sometime yeah
But baby don't cry
