

In the End

Family of the Year

When you feel like
No one loves you
And the world seems nothing but against you
I Wanna feel like someone you can talk to
The two of us there's nothing we can't get through'Cause in the end (in the end)
In the end (in the end)
In the end (like a friend)
Like a friend you can depend onWhen the night seems darker than ever
I wanna break the day together
When the rain comes falling and you're stranded
I'll help you shuffle the cards that you were handed'Cause in the end (in the end)
In the end (in the end)
I'm your friend (like a friend)
You can depend onYou can lie
You can cheat
You can run and still be greatYou can lie
You can cheat
You can hurt someone and still be sweetWe run around spendin' most of our lives
Tryin' to have a good time
Just to stay in the light
woooohI wanna break this thing with all that we have
And we'll give it a shot
'Cause you're all that I've got
WooohIn the end
(In the end)
I am your friendWhen you're broken into pieces
I'll get your car and take it to the places
Where we park high above the city
Where the lights sparkle so pretty'Cause in the end (in the end)
In the end (in the end)
I'm your friend (like a friend)
You can depend onYou can lie
You can cheat
You can run and still be greatYou can lie
You can cheat
You can hurt someone and still be sweetWe run around spending most of our lives
Trying to have a good time
Just to stay in the light
WooohI wanna break this thing with all that we have

And we'll give it a shot
'Cause you're all that I've got
WooohIn the end
In the end
I am your friend
