Your Revolution Is A Joke

Funeral for a Friend

They stand to fight for nothing.
We show them how stupid we've become.
As fortune favors only
Those who care to much to see.Oh it will never be okay,
As some will say.
We stand to fight for nothing,
So close your eyes and stay away.
Don't believe their headlines
They poison our lives, everydayOh it will never be the same,
The purpose bearing everyday.
The lies that lead you into the grave.
As some will say.And you will never be okay,
As some will say.
Purpose bearing everyday,
As some will say.
Lies that lead you to the grave,
As some will say.
