Yashal

Elisa

I've tried and I've tried to forget about you
Just little lies for myself and you
You were innocent and true as can be
And now you are not here with me
I've tried and I've tried to forget about you
Just little lies for myself and you
You were innocent and true as can be
And now you are not here with me
I can't go on and keep on
And keep on crying inside and blame destiny
I can't go on and keep on
And keep on crying inside and blame destiny
I need to know
That you'll come back to me
Back to me
And you'll come back to me
In my arms
Your name is Yashal
Strong like the mountain, Yashal

You're soft like snow, Yashal
You're strong like the mountain, Yashal
You're soft like snow, Yashal
Yashal, Yashal, Yashal, Yashal, Yashal
I can't go on and keep on
And keep on crying inside and blame destiny
I can't go on and keep on
And keep on crying inside and blame destiny
But I need to know
That you'll come back to me
In my arms
Oh, you'll come back to me
Back to me
Your name is Yashal
Strong like the mountain, Yashal
You're soft like snow, Yashal
Strong like the mountain, Yashal
You're soft like snow, Yashal
Yashal, Yashal, Yashal
