Miracle Working Prayer

J.C. White

Miracle working prayer
Prayer miracle working prayer
The answer too it all problems great or small
Oh prayer miracle working prayer
It opens doors for you
It sees you safely through
Oh
If You belive, you would receive all the blessings God has for you

There is a door that can be opened
Ououou
Behind the door your blessings lie
Release your faith when asking and the God would not pass you bye
He is just waiting by the window
To open it for you
Pour you out a blessing just pray and believe is all you have to do

Prayer miracles working prayer the answer to it all problems great or small oh prayer miracle working prayer it opens doors for you see you safely through oh if you belive you would receive all the blessing God has for you
