Strobelight

Darin

It's a quarter past two
Turn on the strobelight
Give it get it give it come on
Give it get it come on
The flash is hypnotic
It got me paralyzed
Give it get it give it come on
Give it get it come on
There's something majestic
About the club tonight
Give it get it give it come on
Give it get it come on
Whatever happens in here's
Tomorrows headlines
Give it get it give it come on
Give it get itAfter midnight we get started
This is not for the faintheartedI'm about to turn
This mutha out turn it upside down
I'm gon'get crazy
With it shake this city around
Wanna see you sweat uh uh
Gonna make you wet uh uh
I wanna see you burn your calories
On the dancefloor now
Come on and work it for me
Show me how you get down
Wanna see you sweat uh uh
Gonna make you wet uh uh
This is how we do it
Under the strobelightLet's get in the zone
We gotta cease life
Give it get it give it come on
Give it get it come on
The crowd is exclusively
Filled with hot dimes
Give it get it give it come on
Give it get it come on
But there's only one up in here
That caught my eye

Give it get it give it come on
Give it get it come on
And we gonna set it off
'Til the sunrise
Give it get it give it come on
Give it get it come on
Give it get itAfter midnight we get started
This is not for the faintheartedI'm about to turn
This mutha out turn it upside down
I'm gon'get crazy
With it shake this city around
Wanna see you sweat uh uh
Gonna make you wet uh uh
I wanna see you burn your calories
On the dancefloor now
Come on and work it for me
Show me how you get down
Wanna see you sweat uh uh
Gonna make you wet uh uh
This is how we do it
Under the strobelightOh give it to me
'Cause I like what I see
So turn on the strobelight
Strobelight
Oh you looking at me
Do you like what you see
When I'm under the strobelight
StrobelightI'm about to turn
This mutha out turn it upside down
I'm gon'get crazy
With it shake this city around
Wanna see you sweat uh uh
Gonna make you wet uh uh
I wanna see you burn your calories
On the dancefloor now
Come on and work it for me
Show me how you get down
Wanna see you sweat uh uh
Gonna make you wet uh uh
This is how we do it
Under the strobelight
