Breakable

Meaghan Smith (Holiday)

Have you ever thought about what protects our hearts?
Just a cage of rib bones and other various parts
So it's fairly simple to cut right through the mess
And to stop the muscle that makes us confess
And we are so fragile
And our cracking bones make noise
And we are just breakable, breakable
Breakable girls and boys
And you fasten my seatbelt because it is the law
In your two ton death trap I finally saw
A piece of love in your face that bathed me in regret
Then you drove me to places I'll never forget
And we are so fragile
And our cracking bones make noise
And we are just breakable, breakable
Breakable girls and boys
And we are so fragile
And our, our cracking bones make noise
And we are just breakable, breakable
Breakable girls
Breakable, breakable
Breakable girls
Breakable, breakable
Breakable girls and boys
