Undignified (album version)

Sugababes

Swollen eyes
No better to let you see them now
My wasted heart
Will never learn to drive the demon downWhen you love the devil
You sell your soul
And it's hard to let it goUndignified
I am tonightSo give me false hope and promise me you'll try
To redeem yourself for the hundreth time
Lie to me if you must my dear
Give me a reason to have here
Even false hope allows me to still believe
In this powerful love that's consuming me
I'm hooked on a drug that steals your pride
It's hard not to seem so undignifiedIt terrifies me to think I'm not the only one
You'd be surprised how much I cry when you are goneWhen your angel's the devil
Your church is a tomb
But I need to be with youI'm undignified
Enough for twoSo give me false hope and promise me you'll try
To redeem yourself for the hundreth time
Lie to me if you must my dear
Give me a reason to have here
Even false hope allows me to still believe
In this powerful love that's consuming me
I'm hooked on a drug that steals your pride
It's hard not to seem so undignifiedI'm addicted to the pain and pleasure you give
It's not how I wanna live
Controlled by himSo give me false hope and promise me you'll try
To redeem yourself for the hundreth time
Lie to me if you must my dear
Give me a reason to have here
Even false hope allows me to still believe
In this powerful love that's consuming me
I'm hooked on a drug that steals your pride
It's hard not to seem so undignified
