Mirrorballin

(Hed) P. E.

Now remember, next time you cut a record with this boy
That I control this business, understand, okay?
And remember something else
I make hits not the public, I tell the DJs what to play
Who's fucking you?
Who's fucking you?
Who's fucking you?
Who's fucking you?
I wanna know, I wanna know
Who's fucking you?
I wanna know, I wanna know
Who's fucking you?
What?s my motherfucking name?
Who's fucking you?
What?s my motherfucking name?
Who's fucking you?
Ooh daddy, daddy?
Ooh daddy, daddy?
'Coz a nigga like me only comes around
Once in a little while
Ooh daddy, daddy?
I can?t wait to fuck you, baby
I can?t wait to fuck you, baby
I can?t wait to fuck you, baby
I can?t wait to fuck you, baby
I?ll give it to you, daddy
Give it to you dirty, dirty
I?ll give it to you, daddy
Give it to you dirty, dirty
I?ll give it to you, daddy
Give it to you dirty, dirty
You know I love it, daddy
Love the way you hurt me, hurt me
Hurt me, hurt me
Hurt me, hurt me
You know I love it, daddy
Love it, daddy, dirty, dirty
Hurt me, hurt me
Dirty, dirty

Hurt me, hurt me
Dirty, dirty
Hey, shorty, let?s go get high
Go get high, fuck all night
Hey, shorty, let?s go get high
Go get high, fuck all night
Hey, shorty, let?s go get high
Go get high, fuck all night
Hey, shorty, come on over tonight
And I'll eat your little pussy underneath the moonlight
Hey, shorty, come on over tonight
And I'll eat your little pussy underneath the moonlight
Hey, shorty, come on over tonight
And I'll eat your little pussy underneath the moonlight
Hey, shorty, ooh, daddy, daddy?
(I wanna know)
Hey, shorty, ooh, daddy, daddy?
(I wanna know)
Hey, shorty, ooh, daddy, daddy?
(I wanna know)
Hey, shorty, ooh, daddy, daddy?
I wanna know, I wanna know
Who's fucking you?

What?s my motherfucking name?

Daddy, you drive me crazy
Daddy, let?s make some babies
Daddy, you drive me crazy
Daddy, let?s make some babies

Let?s make some babies
Let?s make some babies
Let?s make some babies

Daddy, you drive me crazy
?Coz a nigga like me only comes around
Once in a little while
You make me feel so dirty
(Yeah)
You make me feel so dirty
(You like being a little slut)
You make me feel so dirty
(Dirty little bitch)
You make me feel so dirty
(Stand up)
Ooh, daddy, daddy
(Over here by the wall)
Ooh, daddy, daddy
(Put these heels on)
Ooh, daddy, daddy
(Stick your ass out)
Ooh, daddy, daddy
(Now suck on this lollipop)
Ooh, daddy, daddy
(Be a good girl)
Ooh, daddy, daddy
Here now take this vibrator
I want you to play with your clit
While I fuck you from behind
And I want you to concentrate
Ooh, daddy, daddy
Ooh, daddy, daddy
Ooh, daddy, daddy
I wanna know, I wanna know
(Ooh, daddy, daddy)
Who's fucking you?
I wanna know, I wanna know
(Ooh, daddy, daddy)
Who's fucking you?
What?s my motherfucking name?
(Ooh, daddy, daddy)
Who's fucking you?
What?s my motherfucking name?
(Ooh, daddy, daddy)
Who's fucking you?

You will remember
(Ooh, daddy, daddy)
Who's fucking you?

(Ooh, daddy, daddy)
Who's fucking you?
Cum, cum, cum

Ooh, daddy, daddy
Ooh, daddy, daddy
Ooh, daddy, daddy
I?m just a little girl
You make me feel so dirty

You make me feel so dirty
Hurt me, hurt me

Hurt me, hurt me
Hurt me, hurt me
