

Hey I'm Gonna Be Your Girl

The Donnas

Hey, hey, hey
Hey, hey, hey
Hey, hey
Hey, heyHey, pretty boy, what's your name?
You're just making me go insane
I see you sitting there don't know what to do
'Cause I just wanna French kiss you!Hey, I'm gonna be your girl
Hey, I'm gonna be your girl
Hey, I'm gonna be your girl
And are you gonna be my guy?
And are you gonna be my guy?Wednesday night and we're at Paco's
Teaching all of them to Pogo
I see you sitting there don't know what to do
'Cause every time I see you I go cuckooHey, I'm gonna be your girl
Hey, I'm gonna be your girl
Hey, I'm gonna be your girl
And are you gonna be my guy?
And are you gonna be my guy?Come on, baby, rab with me
You're the best dressed in Pali
You can make me go, go, go
Let's go to my room and blow!Hey, hey, hey
Hey, hey, hey
Hey, hey
Hey, heyHey, pretty boy, what's your name?
You're just making me go insane
I see you sitting there don't know what to do
'Cause I just wanna French kiss you!Hey, I'm gonna be your girl
Hey, I'm gonna be your girl
Hey, I'm gonna be your girl
And are you gonna be my guy?
And are you gonna be my guy?And are you gonna be my guy?
And are you gonna be my guy?
