Christmas In Our Hearts

Downhere

(La da-da la da-da)
(2X)

A land adorned with snow
Tree silver and gold
A fire crackling along

Red and green dÃ©cor
Carolers at the door
And that family feeling is strong

Would it be less Christmassy, if all of it were gone

[Chorus]
Even if nobody said Merry Christmas
If even the ch-oirs and belfries made no s-ound
There would be p-eace on the Earth, and forgiveness
â€˜Cause its Christmas in our hearts

Everywhere you go
The poor and orphans know
The Spirit is stirring the soul
Oh o-oh

Mmm, as love and caring dare
Beyond the standard fare
To get back what the world stole

Is anything more Christmassy more, sweetly apropos

[Chorus]
(La da-da la da-da)
Christmas in our hearts
(La da-da la da-da)

Sacred night so timel-ess
We through shadows r-oam
Lend Your star to guide u-s
To our heartâ€™s true h-ome

[Chorus]
La da-da la da-da
Christmas in our hearts
(La da-da la da-da)
Oh if every sleigh bell, on Earth just disappeared
The 24th of December, we start ringinâ€™ the new year
There would be peace on the Earth, and forgiveness
â€˜Cause its Christmas in our hearts
Christmas in our hearts
â€˜Cause its Christmas
Itâ€™s Christmas in our h-earts
In our hearts
