

Diamonds

Robin Gibb

Looking for direction
The mighty Amazon
Only one ambition
To find the precious stone
When I was a boy it was a vision
Now it all just seems like deja-vu
Maybe it was all a premonition
Searchin' for treasure in the land of Peru, ooh
Diamonds (diamonds)
Up, down, in and out of the Amazon (oh, oh, oh)
Diamonds (diamonds)
He won't stop, the kid goes on and on (ooh)
Saw the holy temple
A man was on his knees
Sacrificion ceremony
The gods they wanna please, ooh-whoa-oh-oh
Then the people shouted with emotion
Tried to scale the giant pyramid
Following the writing on the sandstone
Saying the stone was in the room of the dead (oh, oh, no)
Diamonds (diamonds)
Up, down, in and out of the Amazon (oh, oh)
Diamonds (diamonds)
He won't stop, the kid goes on and on (oh, oh, oh)
Burning with fever
I'm dying of hunger
I'm searching all night
Searching all night, all night
Then I jumped and ran into the jungle
Solid ground gave way beneath my feet
Caught inside an icy tomb forever
The rock he was after is now out of reach (oh, no, no, no)
Diamonds (diamonds)
Up, down, in and out of the Amazon, oh
(Oh no, oh no, oh no, oh no, oh no)
Diamonds (diamonds)
He won't stop, the kid goes on and on
(Oh no, oh no, oh no, oh no, oh no)
Diamonds (diamonds)
Up, down, in and out of the Amazon, oh
(Oh no, oh no)
Diamonds (diamonds)
He won't stop, the kid goes on and on
(Oh no, oh no)
Diamonds (diamonds)
Up, down, in and out of the Amazon, oh
Diamonds (diamonds)
He won't stop, the kid goes on and on
