City Lounge

I see sunlight
creeping in through a hole in the wall.
I get a funny feeling;
I should go outside.I can't stand to be
cooped up in doors,
gonna get my car
come around to yours.And maybe I'll take baby
for a ride.It`s been sometime
since I've been shut out
on the road.
With the blue skies in front of me
I can let the past turn me round.Let's get ourselves lost
in the midsummer haze,
down the cool country lanes
that meander for days.-and maybe I'll take baby
for a ride.-and maybe
I'll take baby
for a ride.Love is electrified
current creates motion.(and maybe
I`ll take baby
for a ride)Glamour of countryside-
rolls like the ocean.(-and maybe
I`ll take baby
for a ride)
