

# It's Easy to Remember

Dean Martin

Your sweet expression  
The smile you gave me  
The way you looked when we metIt's easy to remember  
So hard to forgetI hear you whisper  
I always love you  
I know it's over and yetIt's easy to remember  
But, oh, so hard to forgetSo I must dream  
To have your hand caress me  
Fingers press me tightI'd rather dream  
Than have that lonely feeling  
Stealing through the nightEach little moment  
Is clear before me  
And though it brings me regretIt's easy to remember  
But so hard to forgetSo I must dream  
To have your hand caress me  
Fingers press me tightI'd rather dream  
Than have that lonely old feeling  
Stealing through the nightEach little moment  
Is clear before me  
And though it brings me regretIt's easy to remember  
And so hard to forget
