Lost And Found

Eric Clapton

Falling in the deep end, stop messin' around
I can't keep from falling when your not around
I can't no rest when you leave your love keeps me burnin'
You got me lost and found and my world keeps turnin'It's not the same when you're gone
Feel like I'm half of myself
'Cause I need to have you aroundI need to hear that sound
Of you creepin' in the mornin'
I need to look in your eyes
When it keeps me learnin'It's not the same when you're gone
Feel like I'm half of myself'Cause I can't keep my feet on the ground
You keepin' lost and found and girl it feels good
So, I want you to know, I'm ready to let it show
That I'll be aroundIt's not the same when you're gone
Feel like I'm half of myself
It's not the same when you're gone
Feel like I'm half of a manBut, I can't keep my feet on the ground
You got me lost and found and girl, it feels good
So, I want you to know, I'm ready to let it show
That I'll be aroundCan't keep my feet on the ground
You got me lost and found and girl, it feels good
So, I want you to know, I'm ready to let it show
That I'll be around
