Love Never Dies Part 1

Apoptygma Berzerk

Forever in your arms, you said. Forever in my heart.
My love for you will make us both fly higher.
Driven by the power that is burning in my heart.
I know my faith, and you will keep us together.Forever in your arms, you said. Forever in my heart.
My love for you will make us both fly higher.
I sense your presence in this room, I feel that you are near.
So hold me close and whisper love is forever.
Love is foreverLove never dies.
