Change

Sugababes

If I could hold you close
Like you were never gone
If I could hear your voice
You'd tell me to be strongBut sometimes, I just can't
I just don't understand
Why you had to go, why you had to go
Guess I'll never knowAin't it funny how you think
You're gonna be okay
Till you remember things ain't never
Gonna be the same again, same againAin't it crazy how you think
You've got your whole life planned
Just to find that it was never ever
In your hands, in your hands
ChangeIf I could get to you
I'd be there in a minute
My world don't make no sense
Not without you in itAnd sometimes I just cry
Can't say I don't know why
But why'd you have to go? Why'd you have to go?
And leave me here alone, and leave me here aloneAin't it funny how you think
You're gonna be okay
Till you remember things ain't never
Gonna be the same again, same againAin't it crazy how you think
You've got your whole life planned
Just to find that it was never ever
In your hands, in your hands
ChangeYou don't see it coming
Change
When the future comes knocking
It changedIt can make you and break you too
You just have to make it through
You just have to make it throughAin't it funny how you think
You're gonna be okay
Till you remember things ain't never
Gonna be the same againAnd ain't it crazy how you think
You've got your whole life planned
Just to find that it was never ever
In your hands, in your hands
Change, change, changeChange, change, change
