White Dress

Call the Cops

I'm sorry I don't care what you said
But you can fill that space in my bed
You're beautiful, spinning 'round my head
Without a heart, there's no breaking

White dress at my party
She wanted to be alone with nobody
But I stood near her until she saw me
And when she looked up
This is what she said to me:

White dress at your party
I wanted to be alone with nobody
But you stood near me
And you don't know me
You act like an only child
Are you lonely?

I know what you need, I know what you need baby
I know what you need, I know what you need baby

I'm sorry I don't care what you said
But you can fill that space in my bed
You're beautiful, spinning 'round my head
Without a heart, there's no breaking

I know what she's thinking
S.O.S, yes this ship is sinking
So you should hold me
No need to know me
If only tonight
You'll be my one and only

I know what you need, I know what you need baby
I know what you need, I know what you need baby

I'm sorry I don't care what you said
But you can fill that space in my bed
You're beautiful, spinning 'round my head

Without a heart, there's no breaking

I'm sorry I don't care what you said
But you can fill that space in my bed
You're beautiful, spinning 'round my head
Without a heart, there's no breaking

It started out between the sheets
(I never said that word; I'll never say that word!)
But now I need you here with me
(It's safe to say that word; baby say that word!)

It started out between the sheets
(I never said that word; I'll never say that word!)
But now I need you here with me
(It's safe to say that word; baby say that word!)

I'm sorry I don't care what you said
But you can fill that space in my bed
You're beautiful, spinning 'round my head
Without a heart, there's no breaking

I'm sorry I don't care what you said
But you can fill that space in my bed
You're beautiful, spinning 'round my head
Without a heart, there's no breaking
