Nobody Knows

The Tony Rich Project

Wish I'd told her how I felt
Then maybe she'd be here right now
But instead

I pretended I'm glad you went away
These four walls closing more everyday
And I'm dyin' inside
And nobody knows it but me
Like a clown I put on a show
The pain is real even if nobody knows
And I'm cryin' inside
And nobody knows it but me
Why didn't I say, the things I needed to say
How could I let my angel get away
Now my world is just a tumblin' down

I can say it so clearly, but you're nowhere around
The nights are lonely, the days are so sad
And I just keep thinkin' about the love that we had
And I'm missin' you
And nobody know it but me
I carry a smile when I'm broken in two
And I'm nobody without someone like you
I'm tremblin' inside
And nobody knows it but me
I lie awake it's a quarter past three
I'm screamin' at night if I thought you'd hear me
Yeah, my heart is callin' you
And nobody knows it but me

How blue can I get, you could ask my heart
But like a jigsaw puzzle it's been torn all apart
A million words couldn't say just how I feel
A million years from now you know I'll be lovin' you still
The nights are lonely the days are so sad
And I just keep thinkin' about the love that we had
And I'm missin' you
And nobody knows it but me
Yeah, Ohh, uhh, whoa, omom

Nobody, nobody, but me
Tomorrow morning I'm hittin' the dusty road
Gonna find you where ever, ever you might go
And I'm gonna unload my heart
And hope you come back to me

Yeah, sad when the nights are lonely
The nights are lonely, the days are so sad
And I just keep thinkin' about the love that we had
And I'm missin' you

And nobody knows it but me
