

# Halo

## Unwanted Superheroes

When bells are ringing all night  
All I know is that it's your voice  
I can see you in the doorway  
And you're crawling through the void

I've been thinking too much  
And I feel like I'm pushing through  
I sit alone all night  
So why do I still feel you?

And your face is buried  
With all your worries  
In your trembling hands  
The cold water is running  
Keep your heart from feeling  
You want to love but never can

But you  
Were my true love  
And you  
Put yourself up above  
I'd die for you  
Take a bullet for you  
And I'd lie to you  
Because that's all you ever do

When laughter feeds the silence  
As the morning comes into the view  
And were standing at the gates  
But you don't want me walking through

And your face is buried  
With all your worries  
In your trembling hands  
The cold water is running  
Keep your heart from feeling  
You want to love but never can

But you  
Were my true love

And you  
Put yourself up above  
I'd die for you  
Take a bullet for you  
And I'd lie to you  
Because that's all you ever do  
To me
