

# God Bless The American Housewife

## SHeDAISY

Look at me I'm gorgeous in my housecoat with my coffee cup  
I bend to get the paper  
Every neighbor's trying to check me out  
Look at me I'm lovely as I wave beside my mini van  
Look at how my diamonds seem to sparkle on the garbage can God bless the American housewife  
How she does it all I'll never know  
God bless the American housewife  
She could use a miracle for sure  
God bless the American housewife  
Cleaning up the world for you and me  
God bless the American housewife Look at how my children play Commando in the cul-de-sac  
Look at how my husband has survived another heart attack  
Look at all the other mothers, envious of all my things  
Had to call the plumber  
'Cause my daughter flushed by wedding ring God bless the American housewife  
How she does it all I'll never know  
God bless the American housewife  
She could use a miracle for sure  
God bless the American housewife  
Cleaning up the world for you and me  
God bless the American housewife Look at me I'm beautiful and glamorous in rubber gloves  
Look how my tiara can be bent back to the shape it was  
I can do the laundry and make dinner while I'm on the phone  
Look at me I'm sexy as the devil when I mow the lawn God bless the American housewife  
How she does it all I'll never know  
God bless the American housewife  
She could use a miracle for sure  
God bless the American housewife  
Cleaning up the world for you and me  
God bless the American housewife God bless the American housewife
