

This Time I Know It's for Real

Donna Summer

What would I have to do
To get you to notice me too
Do I
Stand in line
One of a million
Admiring eyes

Walk a tightrope way up high
Write your name across the sky

I'm going crazy just to let you know
You'd be amazed how much I love you so, baby
When I get my hands on you I won't let go
This time I know it's for real

Should I write or call your home
Shout it out with a megaphone
Radio, tv news
Got to find a way
To get the message to you

To say I love you with a neon sign
Anything to make you mine

I'm going crazy just to let you know
If I wait too long for you I might explode, oh baby
I've been around the block enough to know
This time I know it's for real

Ooo baby
This time, this time, this time, this time
Oh baby
This time, this time, oh baby

Walk a tightrope way up high
Write your name across the sky

I'm going crazy just to let you know
You'd be amazed how much I love you so, oh baby
When I get my hands on you I won't let go

This time I know it's for real

I'm going crazy just to let you know
If I wait too long for you I might explode, oh baby
I've been around the block enough to know
This time I know it's for real
