

# Message From Mid - Bar

## Wilco

Hate will keep us together  
Love will tear us apart  
What has joined us in the dark

Oh, I was worried  
I would drive you away  
You felt different  
I felt the same

Then I told you  
And you agreed  
Some days I despise  
Everyone I see  
We're all swine  
But you're all mine

What will keep us together  
Will tear us apart  
Maybe making up your mind  
Breaks your heart

Hate will save the dolphins  
I wish there was a way  
I could change it so nothing  
Would ever change or stay the same

All I can do is sing it for you  
Whole lives go by  
Then we die  
You're all swine  
We're swine

Love will keep us together  
Love will tear us apart  
I don't care what the song says  
It's not my heart

Anyway, the point is  
Things can always be worse  
When you don't have a chorus

It's verse  
After verse  
After verse

Then I told you  
In my arms  
I hate you less  
Than the rest  
We're all swine  
But you're all mine
